

# Hi! My name is Ranger

*Do YOU know someone who can give me a GREAT home?*

## I've had a great life!

My mom and dad have loved me, trained me, and taken good care of me since they adopted me from the Humane Society when I was just a pup.

## I'm a great dog!

I am calm when I'm inside yet full of energy when I am outside. I really enjoy being a couch potato indoors, chewing quietly on my bone or snuggling on the sofa.

## I love to play!

Outdoors I have LOTS of energy. I love to run for the sheer joy of it and play fetch the stick. I really want to be an inside dog, but still need a fenced yard to run off all my energy.

## I'm Really Smart!

Here I am after I Graduated from PAWSitive Solutions Dog & Puppy Training. I majored in: Sit, down, high five, shake, stay, wait at doors, come, leave-it, and walking well on my leash.

## My Parents were SO Proud!

Through no fault of Ranger's, life happened...divorce/job change/ and relocation. This leaves Ranger ready for his next great home. He is a Shepherd/Lab Mix, Age: 1 1/2 years, 85 Pounds, Crate Trained, Neutered, Healthy and current on all vaccinations. For more Info Please Call: Marlene Ring @ 830-981-5003 or 210-410-7271. Ranger ALSO comes with a free training lesson!!
